13 November 2018

Dear Dr Fraser

Vale of White Horse Local Plan Part2 - Land East of Kingston Bagpuize

Thank you for your letter dated 11th November 2018 regarding Land at Fyfield, East of Kingston Bagpuize.

We are aware of Lioncourt making a planning application. Development at this location is contrary to current District Planning policy and Oxfordshire County Council has been clear upon its position regarding proposed allocation of the site through its comments on the Vale Local Plan Part 2.

Oxfordshire County Council will need to respond to the District as a consultee. Given the stage that the Local Plan is at, and our concerns about development in this location, our current view is that we will be objecting to this application.

I trust that this is sufficient for the time being.

Yours sincerely

Susan Halliwell
Director for Planning & Place
